Interest Payable Semi-Annually, July 1st, and January 1st.

DENOMINATION OF BONDS \$500 EACH.

Total Cost of Gas and Electric lants, \$70,000 Total Issue of Bonds, · · ·

Cost of property exceeds Bonded Debt, \$25,000

A part of these Bonds were sold to pay for the construction of the Electric Light Plant and we are now offer-the balance to use proceeds of sale to retire or pay maturing Bonds which were originally issued when the

Gas Plant was constructed.

These new 7% Gold Bonds cover all the real and personal property of the PALATKA GAS LIGHT & FUEL COMPANY. The Company has always paid the interest on its Bonds the day it was due. There is no other company furnishing gas or electric light in the City of Palatka. The business is carefully and economically managed and many of our most conservative citizens are owners of these Bonds.

To those who may be timid about investing solely because they fear possible competition through municipal ownership of another plant, at some future period, we refer to the following Act:
